

The Gold Package

Many business owners we work with have heard the *boring outdated on-hold marketing* of their competitors, and want something effective, fresh, and new.

This is Hold Time Studio's specialty - Very affordable, and we like doing it!

If we update 4x per yr, it could look like this...

SCHEDULE (4x a year, for example)

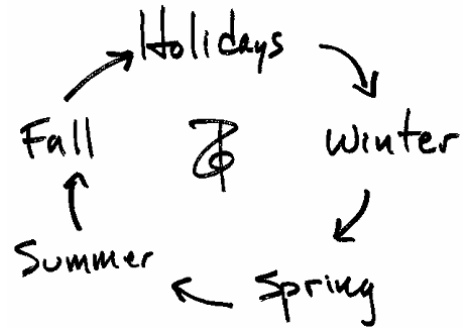

Production #1a – Fall/Winter... September to December

Production #2 – Holidays... December to January

Production #1b – Fall/Winter... January to March

Production #3 – Spring!... March to June

Production #4 – Summer... June to September
